I am very honored to have been chosen as the Sunshine Chairman for the 2024-2025 year. I have always loved sending cards and staying in touch with people and I will put 110% effort into this program. I will work closely with the Department Chaplain to make sure that cards of encouragement, thinking of you and any others that Madame President wants sent out, are mailed out every month. Sometimes we just need a kind word now and then.

There are no awards presented for this program. All I want, is for you to let me know when and why a card is needed and it will be sent. I'm looking forward to a great year. We have an outstanding group of leaders and I thank all of you for what you do for this great organization. Stay in touch!
